May 2021

FOR THE ATTENTION OF THE PERSON WITH PARENTAL RESPONSIBILITY

**RE: YEAR 12 EXAMS AND PROGRESSION INTO YEAR 13**

Please find attached a copy of the Year 12 Mock Examination timetable, examinations begin on Monday 7 June 2021. Over the forthcoming weeks, it is essential that students are preparing for these examinations.

The mock examinations are an important check point for Year 12 students. In order to progress into Year 13, it is essential that students have a secure foundation of knowledge and understanding. As such, it is necessary that A-Level students have secured at least a 'D grade' in their mock examinations, and that BTEC students have secured at least a 'Near Pass' grade in their examination units and at least 'Pass' grades in all their internally assessed units from Year 12.

Results from the Year 12 mock examinations will be available to view on My Child at School from 30 June 2021. Any student not meeting the entry requirement for Year 13 will be invited to complete resit examinations on Thursday 8 and Friday 9 July 2021. Should we still have concerns with a student's progress and suitability to transfer to Year 13 following the resits, we will invite parents/carers into school to meet and discuss the next steps, these meetings will be scheduled during the week beginning 12 July 2021.

Subject staff continue to work hard to support and prepare students for the mock examinations, however, it is essential that students are working independently. Level 3 studies (A-Level and BTECs) are difficult and require commitment and dedication from students. As a guide, we would expect students to be completing 5 hours of independent study per subject per week and this should focus on completing coursework and homework, consolidation of learning, independent subject research, revision of notes and completion of past exam questions. Students should consider using their 'non-contact' periods effectively and also consider using the BH6 Supported Study Room (open weekdays from 8.00 am until 4.00 pm).

Should you have any queries then please do not hesitate to contact me.

Yours faithfully

Mrs C Taylor  
Head of Sixth Form
