## FOR THE ATTENTION OF THE PERSON WITH PARENTAL RESPONSIBILITY

### Re: Year 10 Mock Examinations

We are running Year 10 mock examinations for 2 weeks commencing on the 7 June 2021. Students will complete a mock assessment in each of their subjects and an examination timetable is attached to this letter.

Mocks are a vital part of preparing our students for the next stage in their studies and allow them to showcase their strengths and identify areas which they need to develop. Mock examinations also allow students to prepare and find a method of studying which suits them.

We would advise you to look at the timetable with your son/daughter to establish which exams they have and when, so they can plan their study and prepare for the examination period. We will also deliver assemblies on revision techniques and how to relax and manage time effectively.

The expectations of conduct will replicate those of formal examinations:

- Students should be fully equipped each day
- Mobile phones and Smart watches should not be taken into the examination room
- Students should enter the examination room in an orderly fashion and remain in silence throughout
- Students should not communicate with others, either verbally or non-verbally, and should not disrupt the examination for anyone else
- Any student who is unable to follow these expectations will be issued with a sanction.

We thank you for your continued support and look forward to sharing the mock examination results with you.

Yours faithfully
