AOB

VDE made suggestions that next year we as a staff/community create personalised PPTs outlining a family member who was in the WW's. Group thought this was a lovely idea but would need to be started in the June of 2020 to allow enough prep time.

GCO discussed two new competitions the Rotary Club have introduced and wondered if BHS would want to get involved. These were Young Chef of the Year award and Urban kids go Outdoors. GCO to email GJO and she will forward to the relevant staff

GJO mentioned how successful the Macmillan coffee afternoon had been. Will be doing next year.
