Year 9

1. Students to analyse 3 music festival posters using the following link as a guide
<https://www.studentartguide.com/articles/how-to-analyze-an-artwork>
2. Students will design 4 sketch ideas for a music festival advert incorporating a variety of imagery that relates to the student's initial theme.

The advert should include:
 - A title (festival name)
 - Images that are relevant to genre of music at the festival
 - Date / location of the festival
 - A colour scheme
 - Your festival logo
3. Students should create their final festival advert using either Illustrator and Photoshop (this can be accessed over the school portal)

Year 10

- Students to complete all AO1 (Research):
- Mood board of ideas for their theme.
- Research of 3 Graphic Designers including information of the Designer, images, students own opinion of the Designers work and how they will influence the students project.
 - Students to create an analysis page of 1 piece of work for each of the students Graphics Designer research pages (use this link as a guide
<https://www.studentartguide.com/articles/how-to-analyze-an-artwork>)
Students to Analysis 3 Album covers using the following link as a guide:
