Please ensure you use your school email address to email teachers. They will not be able to respond to personal email addresses

Year 9

For students that have chosen Computer Science as a GCSE option:

- Online coding practice (use Python as chosen language):
 - <https://codecombat.com/>
 - <https://www.learnpython.org/>

For all other students:

- Log into the Students Working From Home portal (Sharepoint) and go to ICT & Computer Science / Year 9 / “Festival Tasks” or click on [Instructions](#) for the Biddulph Music Festival design project.

Year 10 BTEC Digital IT

[Specification](#)

Google classroom used to access work. <https://classroom.google.com/>

Once logged on select your ICT class. You have a list of tasks to complete underneath the tasks tab. There is a PowerPoint to read and questions to complete based on it. You can hand these in through the Google classroom.

Class codes:

- Mrs Sharrock classcode: lyld4vz
- Miss Deavall classcode: knwaekn
- Mrs Atkin classcode: fvtwi3w
