

Maths

Year 9

Students should login to <https://vle.mathswatch.co.uk/vle/> to complete work that has been set. Work will be set on Mathswatch to cover areas of weakness identified on previous assessments and to cover work that the Maths department have identified as being common misconceptions for students sitting GCSE examinations each academic year.

To login to Mathswatch students need their login details which is their school username followed by @biddulph and all passwords are set to "biddulph"

Example: Username → Thorley17@biddulph Password → biddulph

If students identify problems with questions they may watch the videos associated with the questions, answer additional question or email any of the Maths department.

Year 11

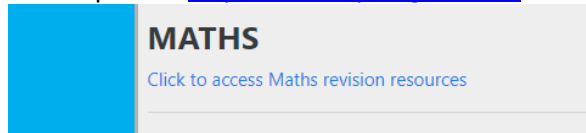

Students are to look at examination papers to familiarise themselves with the style of question that will be asked at GCSE. These can be found on the student's portal using the students tab followed by exams. The examination board that we are using is OCR.

Dates of external examinations

- Paper 1 → 19th May
- Paper 2 → 4th June
- Paper 3 → 8th June

Past examination papers

If students have forgotten their login details for Mathswatch then an email can be sent to thorley@biddulphhigh.co.uk to request username. All passwords are set to "biddulph"

Year 12

Students are to continue working their way through the examples and questions in their textbooks answering the "odd" questions. There is a solution bank that can be accessed via <https://www.physicsandmathstutor.com> to provide model answers

Where students have finished a chapter they may want to assess their knowledge and can locate <https://www.physicsandmathstutor.com/a-level-maths/past-paper-questions-by-topic/> and assess their knowledge.

Both Mr Thorley and Mr Hatch can be accessed via email to address and concerns and provide a model answer to any questions that may be of concern.
