FOR THE ATTENTION OF THE PERSON WITH PARENTAL RESPONSIBILITY

### UNIFORM GUIDANCE

As you may be aware, Public Health England have advised that increased ventilation helps to control the spread of COVID-19. Therefore, we are keeping more doors and windows open in classrooms and around the site. As the weather begins to get colder this will of course create additional challenges for us all.

We have been advising students to wear additional layers and have extended the list of items that can be worn as part of our uniform during this time. I would encourage you to read this below to help your child feel comfortable in the school.

#### Years 9, 10 and 11

Students can add layers below their blazer, including:

- A plain, navy blue, V-necked jumper
- A school PE kit ¼ zip training top or fleece
- A plain t-shirt or vest below their school shirt.

#### Years 12 and 13

- Students can purchase the school grey BH6 hoody and add layers (including a black jumper or cardigan) below this. Students who have ordered a BH6 hoody and are awaiting delivery may wear their Year 11 Leavers hoody in the meantime.
- Add a layer of a plain t-shirt or vest below their school shirt.

Once again, thank you for your support in this matter.

Yours sincerely

S P Ascroft  
Headteacher
