

**The Purpose of Remote Learning is:**

- To enable all students to continue with their learning with as little disruption as possible.
- To provide access to lessons, resources and teacher feedback so that a student does not fall behind.
- To enable all students to engage, succeed and make progress.
- To allow teachers to monitor your attendance and engagement throughout a remote learning period.

**All guides to Teams can be found:**

**BHS – Student Online learning expectations**

- 1) Please log on at 8:55am as a register will be taken. You will be expected to attend registration and tutorial.
- 2) You will be expected to participate in all lessons on your timetable which you can access through the calendar. This will be different depending on the subject. You can have any of the following or a combination:
  - Live lessons.
  - Accessing recorded lessons/videos/PowerPoint presentations.
  - Accessing and completing assignments, tasks, assessments and quizzes.
  - Complete work set by the deadlines provided.
- 3) Your attendance to live lessons and completion of tasks will be recorded on Bromcom and non-attendance followed up as per our normal attendance protocols.
- 4) Meeting deadlines and completion of all work is expected – participation and completion of work will be monitored by your teacher. Parents will be contacted if you are not completing your work.
- 5) You must be on time for any live lessons. If you are late to lesson this will be recorded on Bromcom and your teacher may not admit you to the lesson.
- 6) Have all your necessary equipment ready for your lessons. Your teacher will let you know what you will need via MS Teams.
- 7) Keep your cameras and microphones turned off unless directed to turn them on by your teacher – this for example could be to answer a register, answer questions or to show your work.
- 8) You must wear suitable clothing and be based in an appropriate space as you may be asked to turn your camera on. You can change your background or blur it out using the function within Teams.
- 9) There must be full compliance with all school policies including the Behaviour and Safeguarding Policy when receiving remote lessons.

- 10) All sessions are recorded and the chat in the thread will be saved. You can access the recordings in Teams to watch again. We will not accept inappropriate comments in the 'chat' and this could lead to you being removed from the lesson. Only use the 'chat' as directed by your teacher.
- 11) School rules apply and any inappropriate behaviour will result in being removed from the live lesson. It will be logged on Bromcom and parents contacted where necessary.
- 12) When a screen is shared, the host will adjust their settings to prevent any annotations of the screen by students.
- 13) Students should not, in any circumstances, capture or use video of any Biddulph High School staff. If 'live' lessons are abused by students, the school reserves the right to remove access to them.
- 14) Contact/email your form tutor/HOY if you have any concerns or worries
- 15) Communicate with your subject teacher via school email or on Teams if you are struggling with any of the work.
