Biddulph High School
An Academy

Teacher of Science

Required for September 2022

Teachers' Pay Scale: £25,714 - £41,604

We are seeking to appoint an enthusiastic teacher of Science with Physics to join our committed and supportive team of staff. You will deliver Science in a range of contexts, classes and years, including examination groups. You will work collaboratively with the department and other teaching professionals in ensuring that all students have every opportunity to reach their full potential and achieve at their highest level.

If you would like to work in an excellent school with wide-ranging opportunities for CPD and feel you have a contribution to make to our forward-looking school, we would be delighted to receive your application.

As a member of the Potteries Educational Trust, we are committed to working proactively and dynamically in order to develop and embed effective and sustainable strategies and policies designed to secure excellent outcomes for all of our young people. You will have a wealth of opportunities to develop as a teacher and your career will benefit from joining a future-focussed group, where you have the advantages of natural advancement and professional development within the school and potentially within the Potteries Educational Trust. Access to high calibre CPD contributes to the recognised quality of learning within the Trust. The Trust has recently been awarded delivery of wave 3 T Levels in Health and Science with the potential funding for state-of-the-art Science labs.

Biddulph High school is a popular Academy with just under 800 students on roll, situated in a pleasant residential area on the edge of Knypersley and enjoying an excellent reputation.
