Where will Physics take you?

Astronomy and Space  
Meteorology  
Medical Physics  
Education  
Engineering  
Finance

Continue your  
lifelong love of  
learning

Entering the world of work

Moving onto degree level  
apprenticeships

A level results

Results day  
Successful UCAS application  
confirmation or going  
through clearing

Summer  
Year 13

Mock exams  
Physics paper 1

How science works  
skills woven through  
the year

Half term 2 Autumn

Are you  
completing  
exam style  
questions  
under timed  
conditions?

Half term 5 Summer

Practical  
endorsement work  
completed  
throughout the course

Half term 6 Summer

Revision timetable:

Half term 4 Spring

YEAR  
13

Half Term 1 Autumn  
Static and Charge  
Simple Circuits

Continue to  
develop  
independent  
study habits

Half term 2 Autumn.

End of year assessment

You will sit a formal  
examination in Y12 that  
will assess your  
suitability to continue  
the course in Y13

Continue to  
develop  
independent  
study habits

Half term 6 Summer

Are you  
completing  
exam style  
questions  
under timed  
conditions?

Practical  
endorsement work  
completed  
throughout the course

Half term 4 Spring

Half term 5 Summer

Revision timetable:

Half term 1 Autumn

Start to  
develop  
independent  
study habits

Half term 3 Spring

Bridging tasks  
to be  
completed and  
handed in

YEAR  
12

You will study a range of  
topics across both years.  
These include:

Half term 2 Autumn.

Build a solid  
foundation in  
education

Year  
11

Mocks in Y11, information from  
these inform your choice into A  
Level

Develop a lifelong  
love of learning

Secondary  
school

‘Achieve Excellence.’
