

# BH6

## DRESS CODE

Biddulph Sixth Form does not have a uniform. The dress-code is smart and casual clothing, which is comfortable, practical, modest and suitable for a school environment e.g. example, trousers, jeans, t-shirts, hoodies, tracksuits and dresses. BH6 lanyards must be worn at all times and BH6 Hoodies are available for purchase from Smart Uniform if students wish to wear one. <https://smartuniform.co.uk/product/biddulph-high-sixth-form-hoodies/>

We feel that this dress-code students more flexibility and choice and keeps us in line with other sixth forms and colleges in the area. Students will be trusted to wear clothing that is appropriate for a school environment. Sixth Form students are seen as role models for younger students and are seen by the staff as working adults. Students should not wear clothing that is disrespectful or may make others feel uncomfortable. Students who do not meet the clothing requirements will be sent home to change into something appropriate.

**Some items of clothing that are deemed inappropriate may include but not limited to:**

- Clothes with offensive logos or slogans
- Revealing clothing – no bare midriffs, spaghetti straps or low-cut tops etc.
- Flip flops/sliders/crocs – for health and safety
- Ripped jeans
- Fishnet tights or stockings
- Very short skirts or shorts
- Hoods and hats should not be worn inside the building for safeguarding reasons.
