

English Department

'Do not go where the path may lead, go instead where there is no path and leave a trail.'
Ralph Waldo Emerson

The English team at Biddulph High School wants all students to aim high and achieve beyond expectations. We have developed a challenging programme of study which provides a curriculum to inspire enquiring minds. All students are unique and we want students to thrive in their English lessons regardless of their starting point. We want them to feel empowered to develop their talents and have the confidence to voice their opinions, and to never stop asking questions. All students will be challenged and encouraged to embrace new ideas and information; they will develop the skills needed to become autonomous learners who actively seek out ways to become better. We want students to develop a lifelong love of literature and language and be equipped with the skills needed for the wider world whether that be vocational settings or further education.
