**Re: Duke of Edinburgh Bronze Qualifying Expedition on Tuesday 13 July to Wednesday 14 July 2021**

As part of the Duke of Edinburgh's Award expedition section, your son/daughter is required to take part in a qualifying expedition where they will be assessed on their teamwork, navigation and camp craft etc. In order to fulfil this requirement, we are holding our qualifying expedition from Tuesday 13 July to Wednesday 14 July 2021. Your son/daughter needs to be dropped off with their kit at Biddulph High School at 8.00 am. We will then travel by coach to Thorpe, at the South end of Dovedale. They will then navigate their way to Hulme End Campsite, where they will camp for the night. On the morning of Wednesday 14 July they will begin to navigate their way to Waterhouses Car Park, just off the main Ashbourne to Leek Road, A523. Following a debrief by their assessors they will be allowed to leave and need to be picked up by parents, this will be around 3.00 pm.

The details of our campsite are as follows:

Hulme End Campsite  
Alstonefield Lane  
Hulme End  
Buxton  
SK17 0EX

During the expedition, your son/daughter will be walking the majority of their planned route unaccompanied. However, there will be 2 members of staff assigned to each group located at checkpoints throughout the expedition to ensure they are on the right path and to check their navigation and time keeping. All members of staff will have the group's route, contact and medical details to hand. Each group will have the school mobile phone number which I will hold in the unlikely event of an emergency.

It is important that students bring enough food to sustain them throughout the expedition, It is important that students bring enough food to sustain them throughout the expedition; we have given students training on basic expedition cooking but for more information please email me at [ackerley@biddulphhigh.co.uk](mailto:ackerley@biddulphhigh.co.uk) and I will be happy to provide some ideas. Please make sure that your child has the required equipment listed below (Tents, sleeping mats/bags, Rucksacks and stoves can all be borrowed from school), if students attend the trip without essential pieces of equipment they risk being deferred and having to redo their expedition.

We expect the highest standards of behaviour throughout the duration of the trip and students must be aware that they must follow the countryside code at all times. Please be aware that students are not supposed to use their mobile phones on expedition, as one of the conditions of a successful expedition is “to be isolated, unaccompanied, self-sufficient and remotely supervised”. If they do contact you with any issues please direct them to me or their group’s supervisor. You can contact me on the school mobile number **07928149985** or by email.

If you have been paying for your child’s DofE award in instalments please make sure that they are fully paid on ParentPay, incomplete payment may jeopardise your child’s place on the expedition.
